Conversely, if the FINAL OPINION indicates a Higher Fee for that item, PSAG will raise the final fee. If Scott Catalog does not list a value, PSAG will estimate a reasonable market value to assign a fee for that item. **- PSAG Reserves the right to refuse any submission.

INSTRUCTIONS FOR FILLING OUT SUBMISSION FORM

1. Fill out Name, SHIPPING ADDRESS and SERVICE TYPE for this order. ONLY ONE SERVICE TYPE per order.
2. Fill out only ONE STAMP per line. Up to 10 stamps per form. Check all the boxes that apply.
3. Indicate the Minimum Grade you wish to have on a GRADED COA if you do not want PSAG to grade a stamp below that minimum grade.
4. Fill in the Current Scott Catalog Value and your insured value (for mailing the return package).

6. Fill out METHOD OF PAYMENT with check # or card type, or card number, expiration date, 3 digit security code and your signature. If you choose FED EX and provide your account number, PSAG only charges a \$5 per order shipping charge
7. If you require any of the ADDITIONAL FEE charges, add this in the far right column marked "Add'l. Fees".
8. Fees listed on the Submission Form will apply except for adverse opinions which would alter the FINAL FEE for a submitted item. In this case, the FINAL FEE will be based on the PSAG FINAL OPINION.

TERMS OF SUBMISSION

1. PSAG will strive to provide the suggested turnaround time for the service chosen. However, PSAG, Inc., will have no liability whatsoever to the customer for incidental or consequential damages due to PSAG's failure to process any stamps within the specified timeframe.
2. PSAG reserves the right at all times to decline examination or opinion on any submission.
3. If after examination, PSAG is unable to issue an opinion regarding the authenticity of any submitted item, a fee of \$30 will be assessed for that item. The fee for COUNTERFEITS and FORGERIES is \$30.
4. For any item that has no pricing data in the Scott Standard Postage Stamp Catalog, the fee will be based on an appraisal by the PSAG Expert Committee.
5. Authentication and Grading is performed by PSAG staff, knowledgeable collectors and professional philatelists. These opinions are subjective and due to new information, may change from time to time. PSAG does not guarantee the accuracy of any opinion expressed by its Expert Committee regarding any item submitted for authentication and makes no warranty or representation and shall bear no liability whatsoever to the customer for the opinion or grade applied to any item.
6. If a submitter seeks an opinion and/or grade regarding an item previously submitted to PSAG, the submitter must submit, along with the application, the ORIGINAL CERTIFICATE. In the event that any item, which has been previously examined, has a change in the opinion, the applicant hereby grants PSAG the right to retain any such prior authentication and agrees to make no claim for the return thereof.
7. Submission of all stamps and other items to PSAG shall be entirely at the submitter's risk. All items are accepted by PSAG with the expressed agreement of the submitter that PSAG, its officers, trustees, agents, committees, professional consultants and employees shall in no way be liable or responsible for any loss, damage or other physical injury to the submission from any reason whatsoever.
8. PSAG reserves the right to make changes in the fees, rules and conditions as they deem appropriate without notice. But such changes will be promptly announced as soon as possible.
9. By submission of any item to PSAG for authentication and/or grading, the submitter expressly agrees to all of the Terms of Submission as set forth above.
10. PSAG will not give a grade on any stamp for which that grade would be less than 50 unless specifically requested.
